FEMALE VOICE OVER: Doctor Guy Olorenshaw, one of Melbourne's leading eye surgeon's talks about Intralase, the latest in laser vision correction.

Dr GUY OLORENSHAW: Laser Vision Centre is delighted to be the first to bring Intralase to Victoria. I've been performing laser vision correction for nearly ten years now, and this new technology is one of the greatest advancements I've ever seen. It's safer, more accurate and precise than ever before.

FEMALE VOICE OVER: The Laser Vision Centre on St Kilda Road is the only centre in Melbourne with this world leading technology.
